

Fukuyama City Tourist Guide Map

Tours and Tourist Guide Information

In Fukuyama, you can find the calm Seto Inland Sea, islands floating upon the waves, and the historic port town of Tomonoura, which has been known as a location for waiting for favorable tides since around the sixth century. Breathe in the historical atmosphere and enjoy the wonderful scenery to the fullest!

Major Tourist Spots

Myooin Temple [A-3]

The temple was reportedly founded by Kobo-Daishi in 807 and is the oldest structure with the Secchu-yo (eclectic) style in existence. Distance: approx. 2.9km

Kusado Inari-jinja Shrine [A-3]

This shrine was built in 807 to protect neighboring Myooin Temple. Enjoy a panoramic view of the city from here. Distance: approx. 3.0km

Fukuyama Castle [C-2]

Fukuyama Castle is a magnificent castle founded by Mizuno Katsunari in 1622 after he became lord of the 100,000 koku territory of Bingo. Distance: approx. 0.4km

Rose Park [D-3]

Rose Park started when the local residents planted approximately 1,000 rose seedlings in 1956. Distance: approx. 1.6km

Midori-machi Park [D-4]

Every May and October, nearly 5,000 roses of 190 different varieties bloom in magnificent splendor. Distance: approx. 2.2km

Fukuyama Memorial Park [F-2]

Enjoy go-cart rides, arcade games, as well as the swimming pool in summer and ice skating in winter. Distance: approx. 3.4km

※"Distance" refers to the distance from Fukuyama Station to each destination.
